sustainable sanitation alliance

A Collection of Contemporary Toilet Designs - EOOS and WEDC

Shaw, R. (Ed) (2014)

Content - Summary

This collection is the result of the findings of EOOS research which was supported by Sandec, the Department of Water and Sanitation in Developing Countries at the Swiss Federal Institute of Aquatic Science and Technology (Eawag). It covers a wide range of contemporary toilet designs along with a valuable list of website links where additional information about each design can be sought.
